- Google Chrome 27 or greater
- Safari 6 or greater

How to use this website:

- This site is intended for dental offices who would like to verify benefits and claims for patients of UnitedHealthcare and its clients.
 - If you are a member, please click [here](#) to be taken to the correct website.
- The portal is able to give detailed information regarding specific members and is HIPAA compliant.
- The functionality of the site is extensive. As a registered user, you will be able to:
 - Check member eligibility
 - Verify detailed information on member benefits
 - Verify when services were last rendered for specific ADA codes for a member
 - Verify allowable amounts for services rendered (available for in network providers only)
 - Find specialists for the member
 - Access provider manuals (available for in network providers only)
 - Access forms for medically necessary orthodontia for EHB plans
 - Know the latest information that may affect your office (such as NPI information, etc)
 - Retrieve documents to join the dental network
- This site is intended for use for commercial plans. Community and State plans such as Medicaid and some Medicare are administered at a different website.
 - Please click [here](#) to be taken to that website. You will be required to register to use that site.
