Nebraska Heritage Health Medicaid
Ortho Case Tool / Itemized Treatment Plan Calculator

Click here to download the Ortho Case Tool

Please note – you may need to click 'Allow' on this popup to download the file:

- Downloadable Excel Form standardizes service requests and associated case payment for D8020 or D8080
    - Bundled Plans of logically-grouped services are priced and available to select from as appropriate
    - Itemized Treatment Plan Calculator for use if none of the bundles match the plan of treatment
